

100% Compostable Pet Waste Bags

Natur-Bag®

Made From Natur-Tec® Biopolymers

Picking up after your pet makes sense, and is the law in many communities. Natur-Bag® Pet Waste Bags offer an environmentally responsible way to clean up and dispose of your pet waste. Our bags are completely biodegradable and compostable. This allows you to use a sustainable way to take care of your dog's necessities. The bag and waste can be composted in your back yard or be placed in designated biodegradable material collection bins along with yard waste intended for a composting facility. Check with your local community regarding composting options. Many dog parks are now offering composting options for pet waste as well.

Features:

- 100% Biodegradable & Compostable*
- Certified by the Biodegradable Products Institute to meet ASTM D6400 standards
- Environmentally-friendly alternative to conventional plastic bags
- Do NOT contain any polyethylene or other conventional plastics
- Meets requirements of California AB1972
- Can be used by consumers or by communities and dog parks
- Bags are made in a discreet, black color

** Natur-bags® are intended to be composted in a professionally managed municipal or commercial facility operated in accordance with best composting management practices. To find one near you visit www.findacomposter.com*
